VOYAGER

Volume 17 Issue 3

September 2007

A Special message from your Grand Knight!

We need your Help!!

As you can see this is not the Voyager you have come to expect. Due to circumstances beyond our control we can no longer count on the printer or the individual (s) that have provided these services to our council over these past few years. We owe them a great debt of gratitude and I ask that you keep them in our prayers.

Your council is looking for an individual (s) who are willing to commit a few hours a month to edit and set up our monthly issue. We have found a company willing to do the printing at a reasonable price thanks to Don Campbell. If you can help, please call me at 594.7446 or e-mail me at westleyp@comcast.net.

As I have written and stated several times these past few months, half of our officers, trustees, directors and committee chairmen have rotated off their positions. New brothers have stepped up to fill their positions but we still have vacancies. Our need is for people to fill the Council, Family and Publicity positions. Please consider volunteering and then call or e-mail me.

We are an elite STAR quality council and well on our way being recognized by Supreme. With the quality of our brothers and the quality of our new members, I am confident these current situations will be temporary and our achievements in this Columbian year will make us all proud as we meet the needs of the people Jesus loved dearly, the least of our brethren. Thank you for the important work you do.

May God bless you and yours,

Philip J. Westley
